AMENDMENT

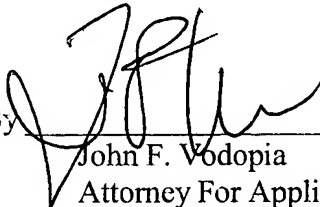

SIR:

In response to the Office Action dated December 15, 2004, applicant submits the attached Terminal Disclaimer in order to disclaim the term of any patent which issues here from, beyond the term of US Patent No. 6,638,228. Applicants believes that claims 1-34, pending herein, are now patentable, and that the rejection of claims 1-34 as unpatentable over Patent No. 6,398,732 is obviated.

Accordingly, applicants respectfully request that the rejection of claims 1-34 under the judicially created doctrine of obviousness-type double patenting be withdrawn, claims 1-34 allowed and the application pass to issue.

It is believed that no fees or charges are required at this time in connection with the present application; however, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 14-1270.

Respectfully submitted,

By
